

# Hi-Shear Ordnance Parts Add to Speed, Range of X-15 Aircraft

The last version of the X-15, the extended performance X-15A-2 built by North American Aviation, incorporates ordnance products manufactured by Hi-Shear Corp. of Torrance. The X-15A-2 research aircraft will have greater speed and range than its successful predecessors. Speed will be increased from 4,000 to 5,000 miles per hour by increasing engine burning time through the use of jet-usable and recoverable external fuel and liquid oxygen tanks.

The tank set, valued at \$292,000, will use four types of Hi-Shear ordnance separation devices operated by Hi-Shear gas generating, electro-actuated power cartridges for

the recovery operation. "This is the greatest variety of our products used in any single aerospace vehicle to date," Guy Nash, vice president-sales, said.

During the first test flight with fueled external tanks, the tanks were dropped from the X-15A-2 at 69,000 feet when the ship was traveling at 1400 mph. A Hi-Shear ordnance thruster pushed off a nose door from each tank. This permitted a drogue chute to deploy and prevented the tanks from tumbling toward earth. A Clamp Separator then opened the bottom of each tank to dump residual fuels. When the tanks reached 15,000 feet, Hi-Shear separation units released the drogue

# Republican Candidate Says State 'Bankrupt'

Assemblyman Houston Flournoy, Republican candidate for State Controller, has charged that the state of California is "bankrupt." "Despite the facts, a cynical conspiracy by Cranston, Brown, and Champion has been spawned to distort the bankrupt condition of the state until after the election," Flournoy said.

"For four years, they have been unwilling to face the fundamental overspending which they have supported despite inadequate revenues to pay the bills. Each year they have borrowed revenues from the future to head off disaster. The accumulated bills for this so-called fiscal policy insure a \$350 million deficit for the next budget," Flournoy said the people are being told that there is a grand surplus of \$250 million expected this year. "Nowhere are we told that this is merely a 'paper balance'.

# Republican Candidate Says State 'Bankrupt'

It's all that will be left, even on the books, from a \$370 million advance of revenues from the so-called accrual accounting adopted this year. Nowhere are we told that this represents what's left of a one-time windfall in revenues. Nowhere are we told that even this surplus cannot bail out the general fund for next year. Nowhere are we told the speculative assumptions which just recently upped the Department of Finance's estimate by \$28 million, he continued.

"In their desperate effort to cover-up the deficit ahead, they assumed that the State Board of Education would continue to interpret the school unification act so arbitrarily that few unifications would take place, and therefore much of the money appropriated for the unification bonuses would not be spent," Flournoy added.

# St. Francis Church Sets Annual Canvass

The annual Every Member Canvass dinner at St. Francis Episcopal Church will be held Tuesday evening at 6:30 in the parish hall, the Rev. Robert A. Tourigny, rector, has announced.

The dinner is held annually to prepare for the Every Member Canvass, which is scheduled next Sunday. At that time, every member of the parish will be visited by a member of the Stewardship Committee and asked to pledge his support for the coming year.

The Rt. Rev. Sumner Walters, Episcopal Bishop of San Joaquin, Calif., will be the featured speaker Tuesday. The inspots will entertain during the dinner.

# County Gets State Funds

State funds totaling \$3,230,854.44 have been assigned to Los Angeles County, State Controller Alan Cranston has announced.

The funds, derived from gasoline taxes, motor vehicle fees, and other taxes paid by highway users, is available to counties for highway work.

# Hospital Board Election Canceled, Two Appointed

County supervisors, on the motion of Chairman Burton W. Chace, Tuesday named two men to the Board of Directors of South Bay Hospital. The action came in answer to a resolution from the hospital board that the two men—the only ones nominated—be appointed. At the same time, supervisors canceled the scheduled hospital election set for Nov. 8.

Appointed were Auten F. Bush, current secretary of the hospital board, and Lester E. Carlson.

"These were the only two men nominated for the two open Hospital Board positions," Chace said. "Since the Board of Supervisors has officially appointed them, there is no need to spend money on an election."

Bush, prominent South Bay attorney, has served on the hospital board since its inception more than 15 years ago. He represents the city of Hermosa Beach.

Carlson, a hospital board member for approximately three years, is superintendent of the California Water and represents Redondo Beach.

# Proposition 1-A Gets 'No' Vote

California legislators should not be permitted to fix their own salary, in the opinion of the Non-Partisan Citizens Committee. The committee recommends "No" on Proposition 1-A on the Nov. 8 ballot.

# Instructors Participate in Meetings

Five West High School teachers participated yesterday in a round of "after-school" conferences held throughout Southern California.

Miss Ardella Tibby represented West High at a Current Affairs Seminar for Social Studies teachers sponsored by the Los Angeles Times, while Mrs. Marilyn Hutchinson attended a meeting of sponsors of the California Scholarship Federation in San Diego.

Three teachers participated in a conference on "Teacher Analysis of Reading Problems" at the Orange County International Reading Association conference. They were Mrs. Martha Gatsinaris, Mrs. DeAnna Mackey, and Mrs. Dorothea Chandler.

# State Allocates Crossing Funds

Funds to assist the city of Los Angeles in upgrading a railroad crossing at Western Avenue near Torrance have been allocated by the California Public Utilities Commission.

Cost of the work, estimated at \$2,728, will be shared by the city and the Santa Fe Railway. The PUC allocation of \$682 represents half the city's share.
